COURT JURISDICTION

The Ohio Revised Code, Title 19, Chapter 1901 establishes and sets forth the authority and jurisdiction of the Youngstown Municipal Court to preside over any violation of a City of Youngstown ordinance, State of Ohio misdemeanor or criminal violation, and preliminary hearings for felony offenses occurring within the boundaries of the Court. Jurisdiction also includes civil cases where the amount in dispute is \$15,000 or less and for small claims when the claim is \$6,000 or less.

HISTORY

The earliest records of a municipal court in Youngstown report the 1904 election of the Honorable Anthony B. Calvin. On January 1, 1914, the Youngstown Municipal Court Act went into effect making provisions for two judges. In 1929, this Act was amended and provisions were made for a Court of three judges. In 2012, through legislative action, the number of judges elected to preside over the Court was reduced to two following the retirement of the Honorable Robert A. Douglass.

Today, the Court operates with two Judges and one full-time Magistrate to achieve the mission of ensuring access to justice and; to serve the community

by efficiently and respectfully resolving criminal, traffic, and civil cases in a fair and impartial manner.

In 2009, the National Center for State Courts ruled that the facilities at 26 South Phelps Street were inadequate and did not meet guidelines for efficient and safe court operations. The study outlined a plan to move the Court to a new location located at 9 West Front Street.

In August of 2015, the City of Youngstown entered into an agreement to renovate the former post office located at 9 West Front Street to house the Court and in April of 2018 the Court moved into this new location.

Pretrial Services Division

The Pretrial Services Division was created in January of 2019 to provide judicial officers with the information needed to make informed bail determinations and provide supervision services that promote public safety and maximize court appearance. To achieve this, the Court partnered with the local non-profit agency Community Corrections Association, to utilize funding from the Targeted Community Alternatives to Prison (T-CAP) funding.

Upon being booked into the Mahoning County Justice Center, all eligible detainees are given the opportunity to complete a voluntary pretrial assessment. After a thorough investigation and offender interview, pretrial officers complete the Ohio Risk Assessment - Pretrial Assessment Tool (ORAS-PAT). The ORAS-PAT is a nationally recognized pretrial assessment tool that utilizes specific risk factors to predict an individual's likelihood to appear in Court and their likelihood of committing a new criminal offense while awaiting trial. When it is determined that an individual may be released, they may be granted supervised release and subject to the terms of release.

In 2021, 525 pretrial assessments were completed. Of those completed, 251 individuals were recommended for release and 130 individuals were granted supervised release. 93% of individuals granted supervised release complied with all conditions of release.

In 2020, the Court was one of six jurisdictions selected nationally to participate in the Advancing Pretrial Policy and Research Learning Sites Pilot Project. The project includes access to a learning platform that is designed to undertake the complex process of change management to promote pretrial improvements. The projected completion date of the project is May of 2022, and the Court will transition to using the Public Safety Assessment (PSA).

The Pretrial Services Division provides several other vital services which include completing expungement investigations, completing presentence investigations, and coordinating competency evaluations.

Probation Internship Program

The Probation Internship Program was designed to broaden Court's commitment to the community by selecting qualified college students to serve in non-compensated positions within the Court. ASSIGNMENT OFFICE

Angela Frederick

Position: Assignment Commissioner

Specialized Dockets

Specialized dockets are particular sessions of court or dockets that offer a therapeutically oriented judicial approach to providing court supervision and appropriate treatment to individuals.

Specialized dockets enable qualified individuals to be treated in a court-monitored, community-based program in lieu of incarceration. Participants in the Youngstown Municipal Court specialized dockets must meet specific eligibility requirements.

Specialized dockets must be certified by the Ohio Supreme Court. The Drug Court, GRACE Court, and Veterans Treatment Court were created in accordance with the requirements set forth in Rules 36.20 through 36.29 of the Rules of Superintendence for Courts of Ohio.

Veterans Treatment Court

The Veterans Treatment Court earned initial certification from the Ohio Supreme Court's Commission of Specialized Dockets in January of 2011. Judge Carla J. Baldwin currently presides over this program which was created to provide judicially-monitored treatment to military veterans who struggle with substance abuse or mental health disorders. The Court's objective is to provide veterans with treatment services and/or academic and vocational skills through a collaboration of community service agencies. Eligible participants are veterans who have been charged with nonviolent offenses and have received a clinical diagnosis of drug or alcohol dependency, a mental health diagnosis, traumatic brain injury, or related disorders.

Upon successfully completing all program requirements, participants are eligible to have their charges reduced or dismissed. Participants who fail to comply with the program requirements may be terminated and returned to the general docket.

Since its inception, a total of 112 veterans have entered the Veterans Treatment Court. 65 participants have graduated from the program by successfully completing all program requirements, 30 participants were terminated, 9 withdrew from the program, and 3 individuals passed away while participating in the program. 5 individuals are currently active in the program.

In 2021, 9 veterans representing the United States Army and the United States Air Force participated in the program. 3 program participants graduated and 1 participant was terminated.

Growth Restored Through Acceptance, Change, and Empowerment

The Youngstown Municipal Court Growth Restored through Acceptance, Change, and Empowerment (GRACE) program earned final certification from the Ohio Supreme Court's Commission on Specialized Dockets in March of 2021 to identify and aid victims of human trafficking and sexual exploitation. Judge Renee M. DiSalvo currently presides over this docket.

The target population of the program are individuals diagnosed with post-traumatic stress disorders, major depression, other mental disorders, drug or alcohol dependency, and/or co-occurring disorders and have been charged with misdemeanor prostitution, soliciting, loitering to solicit, or other offenses where human trafficking may be present. The objective of the program is to address the offender's substance abuse and/or co-occurring disorders through comprehensive assessment and implementation of a treatment plan. Upon successfully completing the program requirements, participants are eligible to have their charges reduced or dismissed. Participants who fail to comply with the program requirements are transferred to the court's general docket.

Drug Court

The Youngstown Municipal Court Drug Court earned final certification from the Ohio Supreme Court's Commission on Specialized Dockets in November of 2020. Judge Carla J. Baldwin currently presides over this docket.

The target population of the program includes offenders who have been charged with criminal offenses and the court has reason to believe that drug and/or alcohol usage was a contributing factor leading to their criminal behavior. The objective of the program is to address the offender's substance abuse and/or co-occurring disorders through comprehensive assessment and implementation of a treatment plan. Upon successfully completing the program requirements, participants are eligible to have their charges reduced or dismissed. Participants who fail to comply with the program requirements are transferred to the court's general docket.

Suspended License Intervention Program

The Suspended License Intervention Program (SLIP) is a diversion program that was implemented on August 14, 2012. Judge Renee M. DiSalvo currently presides over this program which was created to benefit individuals stuck in the cycle of continued license suspensions by assisting them in reinstating their driving privileges. All potential participants are screened by probation staff for eligibility. Upon being found eligible and paying a program fee, participants work with court personnel and social service agencies to develop a plan to reinstate their driving privileges. Upon securing a valid Ohio drivers license and insurance, participants may be eligible to have their charges reduced or dismissed. Participants who fail to obtain a valid license or fail to comply with any or the program requirements are transferred to the courts general docket.

In 2021, 22 individuals participated in the Suspended License Intervention Program. 12 participants completed the program and 4 participants failed to complete the program requirements. 6 individuals are currently active in the program.

Victim Assistance Program

The Victim Assistance Program was established in 2021 to assist victims of crime who enter the Youngstown Municipal Court. Aretha Dawson serves as the Court's Victim Advocate to help victims of crime understand the criminal justice system and address any questions or concerns that may arise in the aftermath of a crime. The Victim Advocate acts as a support to the victim by providing court accompaniment, providing information regarding court hearings, by making referrals to outside agencies and by ensuring that victims are afforded all rights afforded to them under the Ohio Crime Victims' Bill of Rights also known as Marsy's Law.

Court Security

The Youngstown Municipal Court established a court-operated security program in 2011 for the safety and security of those who enter the Youngstown Municipal Courthouse. Court Security is tasked with operating security checkpoints throughout the Court and provide security in courtrooms and throughout the courthouse. All Court Security Officers are certified by the Ohio Peace Officer Training Academy and are commissioned by the Youngstown Police Department.
